

NOMINATION OF SUPERVISOR

Due date: January intake - by 30th November (ANU students can negotiate a later date).
Mid-year intake - by end of June.

NAME:.....**Student Number:**.....

I seek entry into (please tick) **Biology Honours:** **Master (Research or Advanced):**

If you have already completed **Chemical** and/or **Biological Safety** courses please attach copies of the certificates.

I have discussed and decided upon a research project with the supervisor(s) indicated below.

I have discussed with my supervisor(s) the extent and nature of any **animal handling/euthanasia required:**
Yes, I am comfortable with this aspect **OR** Animals will not be part of this project

Please use the space below to write a brief project description.

Project Title:

Brief Project Description:

SUPERVISOR and CO-SUPERVISOR please READ, SIGN^(a) and TICK BOX if Host Lab Leader^(b):

I/We agree to supervise this project and

1. Accept the roles and responsibilities (e.g. availability) detailed in the Biology Honours Handbook;
2. Agree to contribute, alongside non-supervising staff, as examiner(s) in the current and/or future years^(c);
3. Agree to notify the Convenor of any extended absences affecting Honours supervision or examination;
4. Agree to pay a \$100 fine for each compulsory OH&S course the student fails to attend (lab leader only).

Main supervisor:.....**Signed^(a):**.....**^(b)Host Lab Leader:**

Co-supervisor:.....**Signed^(a):**.....**^(b)Host Lab Leader:**

^(a)If you have any doubts or concerns, please discuss them with the Honours Convener BEFORE signing.

^(b)If the main supervisor is not the host Lab Leader, the latter should be co-supervisor and assume ultimate responsibility both for supervision of the student and mentoring of less-experienced supervisors. Non-ANU host lab leaders unfamiliar with the Honours program should seek an experienced ANU co-supervisor.

^(c)Up to 3 theses per year.
